

SUCTION / SCAVENGE ATTACHMENTS

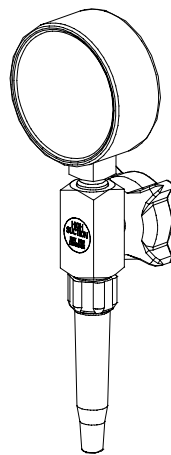

Gascon Systems offers a full range of suction and scavenge attachments for connection to wall outlets. Models are available for direct suction/scavenge (with ball valve) or venturi suction/scavenge (no ball valve), for wall mount or pendant mount, and with or without a vacuum gauge fitted. All models have an internal positive pressure shut-off valve fitted for extra safety when fitted to venturi system.

ORDERING INFORMATION

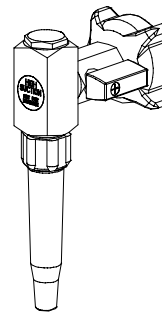

Part No	Suction/Scavenge	Direct/Venturi	Mounting Type	Gauge
G2036	Suction	Direct	Wall Mount	Yes
G2037	Suction	Venturi	Wall Mount	Yes
G2038	Suction	Direct	Wall Mount	No
